

## Danfoss spare parts special offer

| Item number | Item description  | Current inventory |
|-------------|---|-------------------|
| 009G7056    | Shut-off valve GBC28s 1-1 / 8 "with Schrader connection | 15                |
| 014-019500  | Sight glass SGN18s ODF Solder                           | 1                 |
| 016D057900  | Special spring for WVS                                  | 9                 |
| 017-500466  | RT101 25-90 ° C 2 m max. reset                          | 1                 |
| 017-504966  | RT106 20-90 ° C 2m, without adjustment                  | 1                 |
| 017-511766  | Temp RT17 -50--15 ° C room sensor                       | 1                 |
| 017-519366  | RT112 pressure 0.1-1.1 3/8 "with seal cap               | 2                 |
| 018F617800  | Coil 380 / 400V 50Hz, 10W, IP20                         | 3                 |
| 018F7663    | Coil 110V 50 / 60Hz, 120V-60Hz, 14W                     | 14                |
| 023U356600  | Filter drier DU164                                      | 3                 |
| 023U403600  | Filter drier DN052                                      | 1                 |
| 023U403900  | Filter drier DN083                                      | 4                 |
| 023U404400  | Filter drier DN165                                      | 1                 |
| 023U7451    | Filter drier shells DCR0487, steel connection           | 1                 |
| 023Z0109    | Filter drier DML414                                     | 5                 |
| 027F0090    | Gasket set PM65   | 2                 |
| 027F0652    | Piston ring PM40  | 1                 |
| 027F3061    | Main valve PMFL125                                      | 2                 |
| 027N2680    | Schweissflanschsatz 3 "                                 | 2                 |
| 030B0123    | Oil nozzle OD B 5 US gal / h, 60 °                      | 6                 |
| 032F3236    | Repair Kit EVR25  | 4                 |
| 032F8101    | Solenoid valve EVR15 o.Sp. 5/8 "SAE B                   | 1                 |
| 032U3805    | Solenoid valve EV225B15BDG12TNC000                      | 3                 |
| 032U6525    | EV220B valve, 22 mm, NC, 3/4 "NPT EPDM                  | 10                |
| 032U7121    | EV220B20BG34FNC000 3/4 "                                | 4                 |
| 032U7133    | EV220B32BG114FNC000 1-1 / 4 "                           | 4                 |
| 032U718100  | EV220B25BG34NNO000                                      | 1                 |
| 032Z810100  | Coil 220 / 230V 50 / 60Hz                               | 1                 |
| 034L0176    | Pressure regulator KVD12                                | 2                 |
| 037H3065    | Auxiliary contact block CBD22, 2NC + 2NO                | 8                 |
| 037H6072    | Spare coil for CI32-45, 220V / 240V / 50Hz              | 1                 |
| 037H647200  | Spare coil for CI6-30, 220V / 240V / 50Hz               | 1                 |
| 037H648800  | Spare coill for CI6-30, 220V / 50-60Hz                  | 5                 |
| 041E0114    | Thermal Compound 5g                                     | 1                 |
| 042N6753    | Coil 220 / 230V 50 / 60Hz 240V-60Hz 10W                 | 1                 |
| 060-019200  | Damping loop 1.5 m 1/4 "                                | 4                 |
| 060-105666  | KP angle bracket  | 9                 |
